1 General

1.1 Introduction

These instructions are intended to assist persons filing claims for services provided to Kentucky Medicaid Recipients. Guidelines outlined pertain to the correct filing of claims and do not constitute a declaration of coverage or guarantee of payment.

Policy questions should be directed to the Department for Medicaid Services (DMS). Policies and regulations are outlined on the DMS website at:

<http://chfs.ky.gov/dms/Regs.htm>

Fee and rate schedules are available on the DMS website at:

<http://chfs.ky.gov/dms/fee.htm>

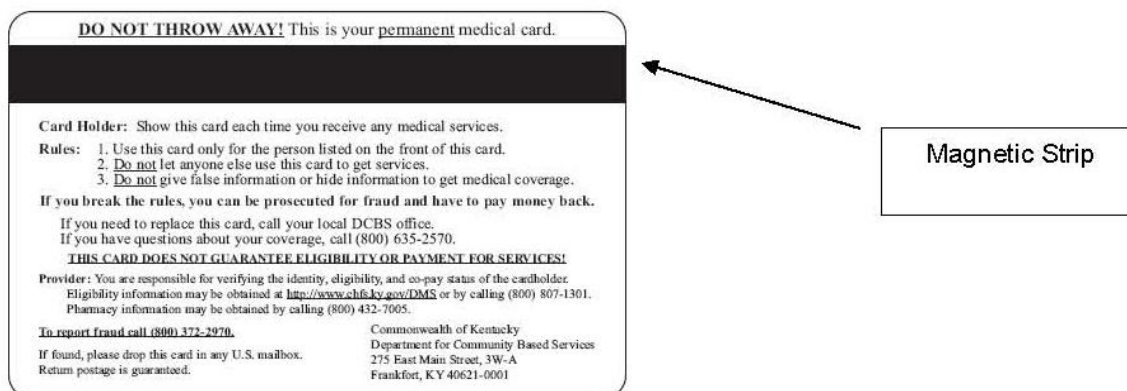

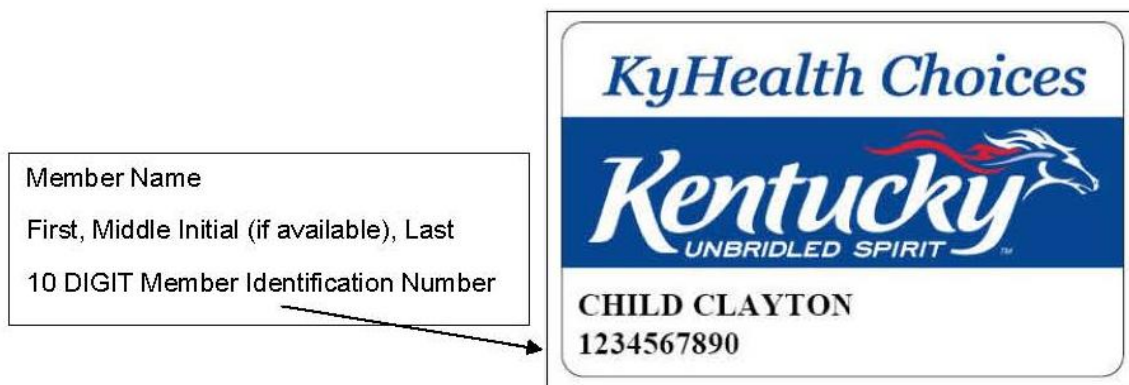

1.2 Recipient Eligibility

Recipients should apply for Medicaid eligibility through their local Department for Community Based Services (DCBS) office. Recipients with questions or concerns can contact Recipient Services at 1-800-635-2570, Monday through Friday. This office is closed on Holidays.

The primary identification for Medicaid-eligible recipients is the Kentucky Medicaid card. This is a permanent plastic card issued when the Recipient becomes eligible for Medicaid coverage. The name of the recipient and the recipient's Medicaid ID number are displayed on the card. The provider is responsible for checking identification and verifying eligibility before providing services.

NOTE: Payment cannot be made for services provided to ineligible recipients; and possession of a Recipient Identification card does not guarantee payment for all medical services.

1.2.1 Plastic Swipe KY Medicaid Card

Through a vendor of your choice, the magnetic strip can be swiped to obtain eligibility information.

Providers who wish to utilize the card's magnetic strip to access eligibility information may do so by contracting with one of several vendors.

1.2.2 Recipient Eligibility Categories

1.2.2.1 QMB and SLMB

Qualified Medicare Beneficiaries (QMB) and Specified Low-Income Medicare Beneficiaries (SLMB) are Recipients who qualify for both Medicare and Medicaid. In some cases, Medicaid may be limited. A QMB Recipient's card shows "QMB" or "QMB Only." QMB Recipients have Medicare and full Medicaid coverage, as well. QMB-only Recipients have Medicare, and Medicaid serves as a Medicare supplement only. A Recipient with SLMB does not have Medicaid coverage; Kentucky Medicaid pays a "buy-in" premium for SLMB Recipients to have Medicare, but offers no claims coverage.

1.2.2.2 Managed Care Partnership

Passport is a healthcare plan serving Kentucky Medicaid recipients who live in the following counties: Breckinridge, Bullitt, Carroll, Grayson, Hardin, Henry, Jefferson, Larue, Marion, Meade, Nelson, Oldham, Shelby, Spencer, Trimble, and Washington.

The other Managed Care Plans servicing Kentucky Medicaid recipients are WellCare of Kentucky, Kentucky Spirit Health Plan and CoventryCares of Kentucky. These plans are not county regional as Passport indicated above.

Medical benefits for persons whose care is overseen by an MCO are similar to those of Kentucky Medicaid, but billing procedures and coverage of some services may differ. Providers with Managed Care plan questions should contact: Passport Provider Services at 1-800-578-0775, WellCare of Kentucky at 1-877-389-9457, Kentucky Spirit Health Plan at 1-866-643-3153 and CoventryCares of Kentucky at 1-855-300-5528.

1.2.2.3 KCHIP

The Kentucky Children's Health Insurance Program (KCHIP) provides coverage to children through age 18 who have no insurance and whose household income meets program guidelines. Children with KCHIP III are eligible for all Medicaid-covered services except Non-Emergency Transportation and EPSDT Special Services. Regular KCHIP children are eligible for all Medicaid-covered services.

For more information, access the KCHIP website at <http://kidshealth.ky.gov/en/kchip>.

1.2.2.4 Presumptive Eligibility

Presumptive Eligibility (PE) is a program which offers pregnant women temporary medical coverage for prenatal care. A treating physician may issue an Identification Notice to a woman after pregnancy is confirmed. Presumptive Eligibility expires 90 days from the date the Identification Notice is issued, but coverage will not extend beyond three calendar months. This short-term program is only intended to allow a woman to have access to prenatal care while she is completing the application process for full Medicaid benefits.

1.2.2.4.1 Presumptive Eligibility Definitions

Presumptive Eligibility (PE) is designed to provide coverage for ambulatory prenatal services when the following services are provided by approved health care providers.

A. SERVICES COVERED UNDER PE

- Office visits to a Primary Care Provider (see list below) and/or Health Department
- Laboratory Services

- Diagnostic radiology services (including ultrasound)
- General dental services
- Emergency room services
- Transportation services (emergency and non-emergency)
- Prescription drugs (including prenatal vitamins)

B. DEFINITION OF PRIMARY CARE PROVIDER – Any health care provider who is enrolled as a KY Medicaid provider in one of the following programs:

- Physician/osteopaths practicing in the following medical specialties:
 - Family Practice
 - Obstetrics/Gynecology
 - General Practice
 - Pediatrics
 - Internal Medicine
- Physician Assistants
- Nurse Practitioners/ARNP's
- Nurse Midwives
- Rural Health Clinics
- Primary Care Centers
- Public Health Departments

C. SERVICES NOT COVERED UNDER PE

- Office visits or procedures performed by a specialist physician (those practicing in a specialty other than what is listed in Section B above), even if that visit/procedure is determined by a qualified PE primary care provider to be medically necessary
- Inpatient hospital services, including labor, delivery and newborn nursery services;
- Mental health/substance abuse services
- Any other service not specifically listed in Section A as being covered under PE
- Any services provided by a health care provider who is not recognized by the Department for Medicaid Services (DMS) as a participating provider

1.2.2.5 Breast & Cervical Cancer Treatment Program

Breast and Cervical Cancer Treatment Program (BCCTP) offers Medicaid coverage to women who have a confirmed cancerous or pre-cancerous condition of the breast or cervix. In order to

qualify, women must be screened and diagnosed with cancer by the Kentucky Women's Cancer Screening Program, be between the ages of 21 to 65, have no other insurance coverage, and not reside in a public institution. The length of coverage extends through active treatment for the breast or cervical cancer condition. Those recipients receiving Medicaid through the Breast and Cervical Cancer Program are entitled to full Medicaid services. Women who are eligible through PE or BCCTP do not receive a medical card for services. The enrolling provider will give a printed document that is to be used in place of a card.

1.2.3 Verification of Recipient Eligibility

This section covers:

- Methods for verifying eligibility;
- How to verify eligibility through an automated 800 number function;
- How to use other proofs to determine eligibility; and,
- What to do when a method of eligibility is not available.

1.2.3.1 Obtaining Eligibility and Benefit Information

Eligibility and benefit information is available to providers via the following:

- Voice Response Eligibility Verification (VREV) available 24 hours/7 days a week at 1-800-807-1301;
- KYHealth-Net at <http://www.chfs.ky.gov/dms/kyhealth.htm>
- The Department for Medicaid Services, Recipient Eligibility Branch at 1-800-635-2570, Monday through Friday, except Holidays.

1.2.3.1.1 Voice Response Eligibility Verification (VREV)

HP Enterprise Services maintains a Voice Response Eligibility Verification (VREV) system that provides recipient eligibility verification, as well as third party liability (TPL) information, Managed Care, PRO review, Card Issuance, Co-pay, provider check write, and claim status information.

The VREV system generally processes calls in the following sequence:

1. Greet the caller and prompt for mandatory provider ID.
2. Prompt the caller to select the type of inquiry desired (eligibility, check amount, claim status, and so on).
3. Prompt the caller for the dates of service (enter four digit year, for example, MMDDCCYY).
4. Respond by providing the appropriate information for the requested inquiry.
5. Prompt for another inquiry.
6. Conclude the call.

This system allows providers to take a shortcut to information. Users may key the appropriate responses (such as provider ID or Recipient number) as soon as each prompt begins. The

number of inquiries is limited to five per call. The VREV spells the recipient name and announces the dates of service. Check amount data is accessed through the VREV voice menu. The Provider's last three check amounts are available.

The telephone number (for use by touch-tone phones only) for the VREV is 1-800-807-1301. The VREV system cannot be accessed via rotary dial telephones.

1.2.3.1.2 KYHealth-Net Online Recipient Verification

KYHEALTH-NET ONLINE ACCESS CAN BE OBTAINED AT:

<http://www.chfs.ky.gov/dms/kyhealth.htm>

The KyHealth Net website is designed to provide real-time access to recipient information. A User Manual is available for downloading and is designed to assist providers in system navigation. Providers with suggestions, comments, or questions, should contact the HP Enterprise Services Electronic Claims Department at KY_EDI_Helpdesk@hp.com.

All Recipient information is subject to HIPAA privacy and security provisions, and it is the responsibility of the provider and the provider's system administrator to ensure all persons with access understand the appropriate use of this data. It is suggested that providers establish office guidelines defining appropriate and inappropriate uses of this data.

2 Electronic Data Interchange (EDI)

Electronic Data Interchange (EDI) is structured business-to-business communications using electronic media rather than paper.

2.1 How To Get Started

All Providers are encouraged to utilize EDI rather than paper claims submission. To become a business-to-business EDI Trading Partner or to obtain a list of Trading Partner vendors, contact the HP Enterprise Services Electronic Data Interchange Technical Support Help Desk at:

HP Enterprise Services
P.O. Box 2016
Frankfort, KY 40602-2016
1-800-205-4696

Help Desk hours are between 7:00 a.m. and 6:00 p.m. Monday through Friday, except holidays.

2.2 Format and Testing

All EDI Trading Partners must test successfully with HP Enterprise Services and have Department for Medicaid Services (DMS) approved agreements to bill electronically before submitting production transactions. Contact the EDI Technical Support Help Desk at the phone number listed above for specific testing instructions and requirements.

2.3 ECS Help

Providers with questions regarding electronic claims submission may contact the EDI Help desk.

3.1 How To Get Started

All Providers are encouraged to utilize KyHealth Net rather than paper claims submission. To become a KyHealthNet user, contact our EDI helpdesk at 1-800-205-4696, or click the link below.

3.2 KyHealth Net Companion Guides.

Field-by-field instructions for KyHealth Net claims submission are available at:

<http://www.kymmis.com/kymmis/Provider%20Relations/KYHealthNetManuals.aspx>

4 General Billing Instructions for Paper Claim Forms

4.1 General Instructions

The Department for Medicaid Services is mandated by the Centers for Medicare and Medicaid Services (CMS) to use the appropriate form for the reimbursement of services. Claims may be submitted on paper or electronically.

4.2 Imaging

All paper claims are imaged, which means a digital photograph of the claim form is used during claims processing. This streamlines claims processing and provide efficient tools for claim resolution, inquiries, and attendant claim related matters.

By following the guidelines below, providers can ensure claims are processed as they intend:

- USE BLACK INK ONLY;
- Do not use glue;
- Do not use more than one staple per claim;
- Press hard to guarantee strong print density if claim is not typed or computer generated;
- Do not use white-out or shiny correction tape; and,
- Do not send attachments smaller than the accompanying claim form.

4.3 Optical Character Recognition

Optical Character Recognition (OCR) eliminates human intervention by sending the information on the claim directly to the processing system, bypassing data entry. OCR is used for computer generated or typed claims only. Information obtained mechanically during the imaging stage does not have to be manually typed, thus reducing claim processing time. Information on the claim must be contained within the fields using font 10 as the recommended font size in order for the text to be properly read by the scanner.

5 Additional Information and Forms

5.1 Claims with Dates of Service More than One Year Old

In accordance with federal regulations, claims must be received by Medicaid no more than 12 months from the date of service, or six months from the Medicare or other insurance payment date, whichever is later. "Received" is defined in 42 CFR 447.45 (d) (5) as "The date the agency received the claim as indicated by its date stamp on the claim."

Kentucky Medicaid includes the date received in the Internal Control Number (ICN). The ICN is a unique number assigned to each incoming claim and the claim's related documents during the data preparation process. Refer to Appendix A for more information about the ICN.

For claims more than 12 months old to be considered for processing, the provider must attach documentation showing timely receipt by DMS or HP Enterprise Services and documentation showing subsequent billing efforts, if any.

To process claims beyond the 12 month limit, you must attach to each claim form involved, a copy of a Claims in Process, Paid Claims, or Denied Claims section from the appropriate Remittance Statement no more than 12 months old, which verifies that the original claim was received within 12 months of the service date.

Additional documentation that may be attached to claims for processing for possible payment is:

- A screen print from KYHealth-Net verifying eligibility issuance date and eligibility dates must be attached behind the claim;
- A screen print from KYHealth-Net verifying filing within 12 months from date of service, such as the appropriate section of the Remittance Advice or from the Claims Inquiry Summary Page (accessed via the Main Menu's Claims Inquiry selection);
- A copy of the Medicare Explanation of Medicare Benefits received 12 months after service date but less than six months after the Medicare adjudication date; and,
- A copy of the commercial insurance carrier's Explanation of Benefits received 12 months after service date but less than six months after the commercial insurance carrier's adjudication date.

5.2 Retroactive Eligibility (Back-Dated) Card

Aged claims for Recipients whose eligibility for Medicaid is determined retroactively may be considered for payment if filed within one year from the eligibility issuance date. Claim submission must be within 12 months of the issuance date. A copy of the KYHealth-Net card issuance screen must be attached behind the paper claim.

5.3 Unacceptable Documentation

Copies of previously submitted claim forms, providers' in-house records of claims submitted, or letters detailing filing dates are not acceptable documentation of timely billing. Attachments must prove the claim was received in a timely manner by HP Enterprise Services.

5.4 Third Party Coverage Information

5.4.1 Third Party Liability

Third-party liability (TPL) refers to the responsibility of parties other than Medicaid to pay for health insurance costs. Private health insurers and Medicare are the most common types of third party that providers are required to bill.

5.4.2 Medicaid is always the payor of last resort

Medicaid will not pay a claim for which someone else may be responsible until the party liable before Medicaid has been billed. Providers are responsible for billing third parties before billing Medicaid.

5.4.3 Commercial Insurance Coverage (this does NOT include Medicare)

When a claim is received for a Recipient whose eligibility file indicates other health insurance is active and applicable for the dates of services, and no payment from other sources is entered on the Medicaid claim form, the claim is automatically denied unless documentation is attached.

5.4.4 Documentation That May Prevent A Claim from Being Denied for Other Coverage

The following forms of documentation prevent claims from being denied for other health insurance when attached to the claim.

1. Remittance statement from the insurance carrier that includes:

- Recipient name;
- Date(s) of service;
- Billed information that matches the billed information on the claim submitted to Medicaid; and,
- An indication of denial or that the billed amount was applied to the deductible.

NOTE: Rejections from insurance carriers stating “additional information necessary to process claim” is not acceptable.

2. Letter from the insurance carrier that includes:

- Recipient name;
- Date(s) of service(s);
- Termination or effective date of coverage (if applicable);
- Statement of benefits available (if applicable); and,
- The letter must have a signature of an insurance representative, or be on the insurance company's letterhead.

3. Letter from a provider that states they have contacted the insurance company via telephone. The letter must include the following information:

- Recipient name;
- Date(s) of service;

- Name of insurance carrier;
 - Name of and phone number of insurance representative spoken to or a notation indicating a voice automated response system was reached;
 - Termination or effective date of coverage; and,
 - Statement of benefits available (if applicable).
4. A copy of a prior remittance statement from an insurance company may be considered an acceptable form of documentation if it is:
- For the same Recipient;
 - For the same or related service being billed on the claim; and,
 - The date of service specified on the remittance advice is no more than six months prior to the claim's date of service.

NOTE: If the remittance statement does not provide a date of service, the denial may only be acceptable by HP Enterprise Services if the date of the remittance statement is no more than six months from the claim's date of service.

5. Letter from an employer that includes:
- Recipient name;
 - Date of insurance or employee termination or effective date (if applicable); and,
 - Employer letterhead or signature of company representative.

5.4.5 When there is no response within 120 days from the insurance carrier

When the other health insurance has not responded to a provider's billing within 120 days from the date of filing a claim, a provider may complete a TPL Lead Form. Write "no response in 120 days" on either the TPL Lead Form or the claim form, attach it to the claim and submit it to HP Enterprise Services. HP Enterprise Services overrides the other health insurance edits and forwards a copy of the TPL Lead form to the TPL Unit. A recipient of the TPL staff contacts the insurance carrier to see why they have not paid their portion of liability.

5.4.6 For Accident And Work Related Claims

For claims related to an accident or work related incident, the provider should pursue information relating to the event. If an employer, individual, or an insurance carrier is a liable party but the liability has not been determined, claims may be submitted to HP Enterprise Services with an attached letter containing any relevant information, such as, names of attorneys, other involved parties and/or the Recipient's employer to:

Please keep the following points in mind when filing an adjustment request:

- Attach a copy of the corrected claim and the paid remittance advice page to the adjustment form. For a Medicaid/Medicare crossover, attach an EOMB (Explanation of Medicare Benefits) to the claim;
- Do not send refunds on claims for which an adjustment has been filed;
- Be specific. Explain exactly what is to be changed on the claim;
- Claims showing paid zero dollar amounts are considered paid claims by Medicaid. If the paid amount of zero is incorrect, the claim requires an adjustment; and,
- An adjustment is a change to a paid claim; a claim credit simply voids the claim entirely.

8.1 Remittance Advice

This section is a step-by-step guide to reading a Kentucky Medicaid Remittance Advice (RA). The following sections describe major categories related to processing/adjudicating claims. To enhance this document's usability, detailed descriptions of the fields on each page are included, reading the data from left to right, top to bottom.

8.1.1 Examples Of Pages In Remittance Advice

There are several types of pages in a Remittance Advice, including separate page types for each type of claim; however, if a provider does not have activity in that particular category, those pages are not included.

Following are examples of pages which may appear in a Remittance Advice:

FIELD	DESCRIPTION
Returned Claims	This section lists all claims that have been returned to the provider with an RTP letter. The RTP letter explains why the claim is being returned. These claims are returned because they are missing information required for processing.
Paid Claims	This section lists all claims paid in the cycle.
Denied Claims	This section lists all claims that denied in the cycle.
Claims In Process	This section lists all claims that have been suspended as of the current cycle. The provider should maintain this page and compare with future Remittance Advices until all the claims listed have appeared on the PAID CLAIMS page or the DENIED CLAIMS page. Until that time, the provider need not resubmit the claims listed in this section.
Adjusted Claims	This section lists all claims that have been submitted and processed for adjustment or claim credit transactions.
Mass Adjusted Claims	This section lists all claims that have been mass adjusted at the request of the Department for Medicaid Services (DMS).
Financial Transactions	This section lists financial transactions with activity during the week of the payment cycle.
	NOTE: It is imperative the provider maintains any A/R page with an outstanding balance.

Summary	This section details all categories contained in the Remittance Advice for the current cycle, month to date, and year to date. Explanation of Benefit (EOB) codes listed throughout the Remittance Advice is defined in this section.
EOB Code Descriptions	Any Explanation of Benefit Codes (EOB) which appear in the RA are defined in this section.

NOTE: For the purposes of reconciliation of claims payments and claims resubmission of denied claims, it is highly recommended that all remittance advices be kept for at least one year.
